MILLIONS Benr Testimony to their Wonderful Carative Effects. They are not a vile Fancy Drink, made of Poor Rum. Whiskey, Proof Spirits and Refuse Li. quors doctored, spiced and sweetened to please the taste called "Tonies," "Appetizers," "Restorers," &c., that lead the tippler on to draukenness and rulu, but are a true fornia, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off ell poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair. They are a Gentle Pargative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation f the Liver, and all the Visceral Organs FOR FEMALE COMPLAINTS, in young or

old, married or single, at the dawn of womanhood er at the turn of life, these Tonic Bitters have no equal. For inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent : Fevers, Disenses of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful, Such Diseases are caused by Vitinted Blood, which is generally produced by derangement of the Di-

gestive Organs. DYSPEPSIA OR INDIGESTION, Beadache, Pain in the Shoulders. Coughs, Tightness of the Chest, Vizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system FOR SKINDISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch. Scurfs, Discolorations of the Skin, Humors and Disthe use of these Bitters. One bottle in such cases will convince, the most incredulous of their curative effects. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse at when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure,

and the health of the system will follow. Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters. J. WALKER, Proprietor. R. H. McDONALD & CO., Druggists and Gen.
